Help reduce fraud and monitor your spending anytime, anywhere with Alerts from New Dimensions Federal Credit Union (NDFCU) powered by Visa.

With near real-time alerts from NDFCU powered by Visa, you can receive updates on your Visa[®] debit card activity. And this unique service is available free for NDFCU Visa cardholders.

After your Visa debit card has been used, you'll receive an alert through text message or email. If there is fraudulent activity, you can find out within minutes and act quickly to resolve the situation.

How you use the service is up to you. You can choose to receive alerts when your Visa debt card is used for purchases over a specified amount, online transactions, purchases outside the United States, and more. You can even customize the purchase amount threshold—for example, setting it to only receive alerts for purchases above \$50.

Select the delivery options that best meet your needs, with text messages, emails, or both for extra security and convenience. Each alert contains important information, including the purchase amount, merchant name and location (if available), and the last [four] digits of the Visa debit card used to keep you best informed.
